

Newark CCSD 66 Strategic Plan 2016-2018

Our Vision

One Community. One Goal. Achievement.

Our Mission

Newark Community Consolidated School District #66 administration and staff, in cooperation with the parents, students and the community will strive to create opportunities for students to achieve their fullest potential in a safe environment. Together we will encourage responsibility while providing experiences for academic and social growth.

Strategic Indicators

- Stakeholders join together in a blue print for success.
 - Provide an opportunity for sharing in the educational process.
 - Live the mission and vision in our daily lives.
 - Ensure high student achievement for all students.
-

Core Beliefs and Values

- Keep students safe and model respect
 - Believe in education and teaching how to think
 - Success – high expectations for all students
 - Children learn in different ways
 - It takes a village – we share responsibility with parents and our community
 - Lifelong learners – students learn and teachers continue our own education
 - Communication of how to learn
 - We are extended family
 - Data and research drive our commitment to continuous improvement
-

Daily Commitments

- Use data and current research to drive instructional practices.
- Differentiate curriculum.
- Embed technology into our curriculum.
- Support and train our staff to ensure an excellent experience for our students.
- Cultivate relationships with our families and community.
- Provide a safe, nurturing environment while providing social and emotional learning in our schools.
